Membership Classifications

Full Member

Any person who holds or has held certification from a tertiary institution (or equivalent) and who is able to provide AUSPTA with validated confirmation of employment in the Industry specific user group(s) (they are applying membership for) may apply for full membership of AUSPTA. Their Association grade will depend on their level of training and experience.

Student/Affiliate Member

This membership classification is available to any student who is pursuing a recognised course of full time study at an Educational Institution, or any person with an interest in Thermography.

This is a non voting membership classification.

Business Member

This membership classification is available to Organisations working professionally in the Thermal Imaging Industry. Each Business member may nominate 2 of their employees to be Full (voting) members of AUSPTA and also nominate 1 employee to be a Business (non voting) member.

This membership classification is also available to Educational Institutions including Universities, TAFE or Registered Training Organisations who have an interest in Infrared Thermography. Each educational institution may nominate 2 of their staff for Full (voting) membership of AUSPTA and also nominate 1 of their staff to be an Affiliate (non voting) member.

Corporate Member

Corporate membership is available to Organisations who have an interest in manufacture, supply, distribution and/or selling of thermal imaging equipments.

Each Corporate membership may nominate 1 of their employees to be a Full (voting) member and also nominate 3 of their employees to be Corporate (non voting) members of AUSPTA. Membership is valid for a 12 month period.
