July Meeting in Melbourne.

The July meeting saw the continuing development of the various Industry User Groups, training development and the launch of AUSPTA's own website. Members stated they considered their attendance well worthwhile. There were members from Tasmania, New South Wales and Victoria in attendance.

Member Applications.

Membership applications for the Association continue to be received for all Industry User Groups. The only State yet to be represented is the Northern Territory.

Association Membership Cards.

Don't forget to forward a passport sized photo (electronic or hard copy) with your membership application. Membership cards are plastic credit card format, and are tamper proof.

Experience Validation for Membership

There are now three (3) ways to gain accreditation of the various AUSPTA User Groups;

1. Attachment of your qualification Certificate and brief employment history with your application.
2. Completion of AUSPTA Practical Experience Log (AUSPTA document 021).
3. Completion of AUSPTA Recognition of Practical Experience by Referee (3) (AUSPTA document 022).

Both of these documents are available on the AUSPTA website or may be sent on request via email.
